§ 44.14 Request for hearing

A request for hearing filed in accordance with § 44.13 of this part must be filed within 30 days after service of the proposed decision and shall include:

If such a request for hearing is made, the request should specify which of the terms and conditions should be the subject of the hearing.

(2) During the pendency of the partial appeal, the proposed decision and order of the Administrator will become final on the 30th day after service thereof, unless a request for hearing on the proposed decision and order is filed in accordance with paragraph (a) of this section by any other party. (ii) In the case of a petition involving a finding by the Administrator of a diminution of safety to the miners caused by application of the standard at the mine, whether the terms and conditions for which the hearing was requested are necessary to provide equivalent protection to the miners at the mine from the hazard against which the standard is directed.
